Abstract

This paper presents how to prepare a Technical Report in Computer Science and Systems Engineering, Kyushu Institute of Technology, Iizuka. The sheet size must be A4 and the first page must configure the CSSE number, the date of issue, the title of the technical report, the name(s) of the author(s), the name(s) of the department(s) belonging to, the postal address(es), the e-mail address(es) and the abstract of the technical report. Some of them must be arranged carefully so that they can be seen through the window on the cover prepared for the technical report. The rest part of the technical report is for discussions on the topics indicated in the title of the technical report.
